Questions about the Course

After reviewing the syllabus, please answer the following questions in the spaces to the right.

Question	Answers
What questions do you have after reading the syllabus?	I want to know about midterm writing and final writing. For example, about writing's subject and volume.
How does the current format of this course compare to your expectation?	I haven't taken the class yet, so I do not know about it. Because, I participated in class during correction period.
What are other topics you think you want to see in this course?	I want to write about various fields(example) sport, economy, movie and so on). I want to experience many interesting topics while writing.
What do you want to be able to accomplish by the end of this course?	When I write my graduation paper, I have to write it in English. so I hope it helps a lot by practicing through class.
